New NAPM-Lehigh Valley
President
**Frances C. Petro Award
Presentation:**

This month's meeting is our last dinner meeting until the fall. We invite our past

presidents and also invite 'significant others' to join us at no charge for this end of year celebration. It is our way of thanking our 'significant others' for their understanding of some of our late meetings and time spent in the after hours activities of our affiliate. We appreciate our past presidents attending to acknowledge & support our new president.

I'd like to thank the members of the Programs Committee who have helped me this past program year. Jim Lichtenwalner, Bob Agonis, Jim Backer, and Jane Affa have all pitched in at various times this year. Special thanks to Nancy Helwig and Ray Nester for your unending efforts from start to finish. I also want to thank Joe Zelechowski, Director Supply Chain, PPL Corporation for his support of NAPM-Lehigh Valley. PPL has pitched in quite a bit with steno resources, printing of satellite seminar booklets, support of the golf outing, board member participation, and whatever else was needed.

President's Corner

By Patricia Frank, C.P.M., President

It seems like just yesterday that I wrote my first President's Message for the Valley News. Although a year has passed, I am just as enthusiastic about this affiliate as I was then. You have given me a tremendous privilege this past year to serve as your president. It has been truly a professional and personal rewarding experience. Please accept my gratitude for the support provided me as your President. I have enjoyed my time in the leadership roles that I have been engaged in over the past several years.

I want to thank the Board of Directors and officers for their support of our affiliate and all of their hard work during this past year. I must also acknowledge how fortunate our organization is to have such great leadership for our many committees. Since we do not have an abundance of volunteers, the leaders often have to go the extra mile to get the work completed in

the professional manner that we have become accustomed to.

Attendance at our monthly pre-dinner forums and dinner meetings has been very good throughout this whole year. I would like to thank the membership for making that happen.

I sincerely wish a successful 2005-06 year for the new President, Board of Directors, committees and the membership in general. The elected leadership cannot do it alone. To gain the success we want for our organization we still continue to look for support and involvement from our membership. The future of NAPM-LV depends on each of us.

Carl F. Zipf Scholarship Awards

Annually, NAPM-LV awards scholarships to talented students with affiliations to the Lehigh Valley. These awards are presented in the memory of Carl F. Zipf. But – Who is Carl F. Zipf?

In 1974, Carl Zipf was a member of the Board of Directors to the Purchasing Management Association of the Lehigh Valley, a predecessor to the NAPM-LV. Carl requested the Board to consider a scholarship program for college students in the Lehigh Valley. The Board appointed Carl to chair a committee to establish guidelines for a scholarship program. After a lengthy review process, guidelines were established and the first scholarships were awarded in 1976. A total of five scholarships of \$500.00 each were awarded that year. Awards will now total 132 scholarships since 1974, with a cumulative awarded amount of just over \$100,000.

Upon his sudden passing in 1976, the Association named the scholarship program in his honor. I think Carl would be very pleased with the results of his initiative.

The Carl F. Zipf Scholarship Program is funded by the 50/50 raffle at the monthly dinner meetings, proceeds from the satellite seminars, and, primarily, from proceeds from the annual Ellery Royal Memorial golf tournament.

By attending these functions, you will be helping to defray the rising expenses of education for worthy, talented students in the Lehigh Valley.

The winners of the 2005 Carl F Zipf Memorial Scholarships are:

G. Patrick Kinek

Patrick is a junior at Keystone College where he holds a 3.9 GPA majoring in Business with a minor in Information Technology. He also participates on the ski team.

Kevin Kinek

Kevin is a junior at LaSalle working on a degree in Business Administration with majors in Marketing and Management. He is also active in intramural sports, primarily football, basketball and softball.

Christopher Tychanowicz

Chris is a first-semester senior at Penn State Lehigh Valley as a Psychology major. At present, Chris is working an internship at Minerals Technologies, working with John Rine. He has enjoyed his work in purchasing so much he is pursuing a career in purchasing after graduation in December.

Chad Wolf

Chad is a first semester senior at University of Delaware where he is a dual major in Accounting and Finance with a minor in Management Information Systems. He is very active in Delaware's Inter-Fraternity Council where he has held several offices. In addition, he is the Vice President of the Accounting Students Association.

Joe Zairo

Joe is a sophomore at the University of Pittsburgh, majoring in Business Administration. He has achieved the status of Eagle Scout and is also an assistant Scoutmaster for Boy Scouts of America Troup 22, Allentown.

On behalf of the members of NAPM-LV, we congratulate the award winners for their accomplishments thus far, and wish them continued success and much happiness.
